

# THINKING OUTSIDE THE BOX: LEGAL ENTREPRENEURSHIP, ARTIFICIAL INTELLIGENCE AND EVERYTHING IN BETWEEN

A CONVERSATION WITH ANDREW ARRUDA (JD '14)  
CEO AND CO-FOUNDER, ROSS INTELLIGENCE

A recent College of Law graduate, Arruda is a lawyer and Silicon Valley-based entrepreneur.

A Forbes 30 under 30 alumnus and TED speaker, Arruda aims to forever change the way legal services are delivered.

In discussion with Professor Glen Luther, Arruda will explore his journey from the College of Law to Silicon Valley, legal entrepreneurship, the future of the legal profession, artificial intelligence and everything in between!
